

Basement and Universal Window

When you're looking for quality, energy-efficient windows, look no further than Seymour Windows. Seymour windows are virtually maintenance-free, manufactured of 100% solid vinyl. They won't rot,

warp, blister or peel, they never need painting, and are designed for easy cleaning. Each Seymour window is custom-built to meet your specific requirements, and our strict attention to

detail ensures that you get a beautiful window that is guaranteed to maintain its shape and colour under the most severe conditions.

Seymour Windows... A beautiful, practical addition to your home.

Energy Efficiency

- Double glazed, sealed unit with 1/2" air space for insulation
- "Low E" glass or "Low E" argon gas-filled for better insulation (optional)
- Double weather stripping reduces air infiltration

Standard Features

- **Basement** slider has 2 3/8" slim line frame which maximizes light penetration
- **Universal** has 3 1/4" slim line frame which maximizes light penetration
- Half screens
- Removable insert for easy cleaning
- Thermal pane glass insulates against noise
